**BE
WINTER
READY**

Gas & electricity supply is more reliable than ever, however, severe weather can still damage or disrupt energy supplies. Be Winter Ready

Know your free emergency numbers : in a power cut dial 105 or for a gas emergency dial 0800 111 999

Prepare your home : keep a torch handy and get your appliances serviced by a Gas Safe registered engineer to prevent carbon monoxide poisoning

Vulnerable households can get extra support by signing up to the Priority Services Register - contact your supplier to find out more

Keep your eyes open; keep an eye on the weather forecast & check on your neighbours
