### Research & Campaigning

#### 'Achieving income security for all'

New findings from Citizens Advice show many people on benefits are struggling to make ends meet and pay for the essentials. We see these problems first hand, and last year helped 580,000 with their benefits across England & Wales.

### Annual General Meeting

Its our AGM on Wednesday 30th October at Wakefield Town Hall from 6.00 pm

1939: Wakefield CAB opens its doors: early Citizens Advice records suggest that from the start volunteers worked from public buildings and private houses. They dealt with problems relating to the loss of ration books, homelessness and evacuation. They also helped locate missing relatives and prisoners of war. Debt also quickly became a key issue as income had reduced due to call ups.

We will be celebrating our 80 years of service.
